Current Position at CWA

Consultant

Specific Expertise and Experience

David has thirty-eight years' experience in the marine industry, including eight years as Master of Reefer, Container and Passenger vessels. The past fourteen years have been spent in Dubai as a Marine Consultant/Surveyor. He has a wide range of maritime experience both as a seafarer and as a surveyor.

Summary of Previous Employment

July 2005 to 2013

Noble Denton Middle East

Marine Casualty Investigation Manager / Consultant

Co-ordinating claim and condition surveys throughout the Middle East, liaising with the further Noble Denton offices to ensure that the correct surveyor is appointed for each case. Ensuring surveys are conducted and reported to company standards, whilst continuing to undertake personally a wide range of vessel surveys

Page 1 of 3
CWA International Ltd
